

REMARKS

This is an Amendment After Allowance but before payment of the Issue Fee. Specifically, the Specification is amended to remedy a typographical error. This minor correction does not affect our claim to priority, which is properly reflected in our original filing and in the PTO records shown in the PAIR database. Accordingly, entry of this Rule 312 amendment is warranted, perhaps under Order 3311.

No official fee is believed to be due in connection with this Response. If, however, any additional time extension or fee is required to consider this response or to otherwise prevent abandonment of this application, please consider this as a request for an extension of time and as authorization to charge Deposit Account No. 50-2091 for any fee that may be due.

Respectfully submitted,
